Vista Gold Corp. Files Shelf Registration Statement

PRNewswire-FirstCall

DENVER

Vista Gold Corp. (Amex: VGZ; TSX) announced today that it has filed a shelf registration statement with the U.S. Securities and Exchange Commission (the "Commission") which, when effective, will permit the Corporation, from time to time, to offer and sell up to 4 million common shares through one or more methods of distribution, subject to market conditions and the Corporation's capital needs. Although the Corporation currently has no commitments to sell common shares under the registration statement, the Corporation anticipates that some or all of the registered shares will be issued to raise proceeds of US\$25-32 million, of which approximately US\$25 million is to be invested in a company to be spun-off by the Corporation. The proposed spin-off transaction was previously announced in the Corporation's press release dated July 10, 2006 and Form 8-K filed with the Commission on July 12, 2006 (as amended by Forms 8-K/A filed on August 16, 2006 and August 25, 2006), which set forth terms of a letter of intent (as amended) with respect to the transaction.

A registration statement relating to these securities has been filed with the Commission but has not yet become effective. These securities may not be sold nor may offers to buy be accepted prior to the time the registration statement becomes effective. Any offering of securities covered by the registration statement will be made only by means of a prospectus and related prospectus supplement. When available, copies of the prospectus and related prospectus supplement may be obtained from the Corporation. This press release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of these securities in any state in which such
